

The cover features a dense, intricate floral and botanical illustration in a romantic style. The background is a solid purple. Various flowers are scattered throughout, including large purple and white blossoms, smaller yellow and white flowers, and several pinecones. A central banner with a yellow ribbon bow contains the title 'ROMANTIC COLORING'. Below the banner, the German text 'Nimm dir Zeit zu träumen' and 'Das ist der Weg zu den Sternen' is written in a cursive font. On the right side, there is a detailed illustration of a white cockatoo with its crest raised. The bottom right corner has a red diagonal banner with the text 'Unverkäufliche Leseprobe'. The Loewe logo is at the bottom center.
