Editor's note

In 1995, a friend convinced me to join him in coaching a handball youth team (male, under 13 years of age).

This was the beginning of my career as a team handball coach. Ever since I enjoyed working as a coach and had high requirements concerning my exercises. Soon, the standard pool of exercises wasn't enough for me anymore and I started to modify and develop drills myself.

Today, I coach a broad range of youth and adult teams with different performance levels and adjust my training units to the individual needs of the teams.

A few years ago, I started selling my exercises and drills online at handball-uebungen.de. Since, in handball training, there is a tendency towards a general athletic training that focuses on coordination work – especially in the training of youth teams –, a large number of my games and exercises can be applied to other sports as well.

Get inspired by the various game concepts, be creative, and rely on your own experiences!

Yours sincerely,
Jörg Madinger
