M6 Mixed grammar and vocabulary exercise

Sometimes my parents can be unfair!

My parents love my little sister more than me.

She always gets what she wants.

But as soon as she has something she doesn't want it anymore.

Ten minutes ago she suddenly came into the living room.

I was watching a film on TV there.

She didn't like that and said to my parents:

"I don't want to watch that! Can I watch something else?"

I said:

"There isn't anything nice on TV for small children."

"But we have lots of nice DVDs for kids", she said and began to cry.

So of course my parents helped her and now she is watching her stupid film. That's so unfair!

But tomorrow I will go swimming with my Dad – just the two of us.

M1 My favourite star

Beispiellösung:

Dear Mrs Lenihan,

I'm big fan of Miley Cyrus. She's a star in the USA. I'm a big fan of her music, which is a mixture of country music and pop. I also like watching her TV series "Hannah Montana". I know all her songs and there's a poster of her in my room. I would really love to meet her because I think she is very nice. We could talk about how it is to be a star.

You would make me the happiest person in the world by letting me meet her.

Yours sincerely, Leonie
