Contents

Ischemic Heart Disease

Study on the Clinical Effectiveness of Adalat L Tablet for Angina Pectoris: A Double-blind Study with Adalat as a Reference Drug (<i>Y. Nakamura, H. Miyashita, O. Iimura, K. Ueda, T. Sugimoto, and Y. Toyama</i>)	3
---	---

Nifedipine-Induced Reperfusion in Stable Angina and Postinfarction Cases (<i>R. F. Abarquez, V. M. Sison, R. G. Sy, N. S. Abelardo, R. R. Castillo, R. D. Jara, and O. E. Enoveso</i>)	12
--	----

Newest Information on Unstable Angina Pectoris (<i>P. G. Hugenholtz</i>)	26
--	----

Effect of Nifedipine on Relaxation and Early Left Ventricular Filling During Postpacing Ischemic Period (<i>Y. Nakamura, S. Sasayama, H. Nonogi, S. Miyazaki, Y. Kihara, T. Konishi, and C. Kawai</i>)	34
--	----

Atherosclerosis

Effect of Nifedipine on Atherosclerosis in Cholesterol-Fed Rabbits and Watanabe Heritable Hyperlipidemic Rabbits (<i>Y. Ishikawa, N. Watanabe, N. Miyazaki, T. Taniguchi, Y. Watanabe, and H. Fukuzaki</i>)	47
---	----

Natural History of Coronary Artery Disease: The Effects of Ca^{2+} Channel Blockade and Antiplatelet Agent on Progression or Regression of Coronary Atherosclerosis (<i>Y. Yabe</i>)	60
---	----

Effect of Nifedipine on DNA Synthesis and Cytosolic Free Calcium Concentration Stimulated by Growth Factors: A Study Using Cultured Rat Aortic Smooth-Muscle Cells (<i>Y. Ouchi, J. Hirosumi, M. Watanabe, J. Kusunoki, and H. Orimo</i>)	74
--	----

Hypertension

Studies on the Mechanism of the Antihypertensive Effect of Long-Term Administered Nifedipine in Patients with Benign Essential Hypertension (<i>O. Imura, K. Shimamoto, and K. Kikuchi</i>)	85
---	----

Nifedipine Retard as Monotherapy for Essential Hypertension: A Randomized Controlled Cross-over Study (<i>K. S. Woo, C. O. Pun, and J. Vallance-Owen</i>)	97
--	----

Long-Term Treatment of Hypertensive Patients with Nifedipine Tablet (<i>M. Hiwatari, K. Abe, K. Yoshinaga, T. Saito, and S. Sasou</i>)	103
--	-----

Hemodynamic and Neurohumoral Effects of Nifedipine Slow-Release Tablet in the Treatment of Hypertension (<i>T. Santoso, D. Ismail, A. M. Rahman, M. N. T. Wangge, H. Mansjoer, T. Sugiarti, and N. Abdurahman</i>)	109
---	-----

Special Topics

Effect of Nifedipine on Serum Lipoprotein Metabolism in Patients with Essential Hypertension (<i>K. Arakawa and J. Sasaki</i>)	121
---	-----

Effects of Nifedipine on Cardiovascular System, with Special Reference to Coronary Circulation (<i>Y. Hirota, G. Shimizu, K. Kaku, Y. Kita, T. Saito, and K. Kawamura</i>)	127
--	-----
