

Table of Contents

Molecular Genetics of the Mouse Zona Pellucida
*M. E. Chamberlin, M. J. Ringuette, C. C. Philpott,
S. M. Chamow, and J. Dean* 1

The Mouse Egg Receptor for Sperm: A Multifunctional Zona
Pellucida Glycoprotein
*P. Wassarman, J. Bleil, C. Fimiani, H. Florman, J. Greve,
R. Kinloch, C. Moller, S. Mortillo, R. Roller, G. Salzmann,
and M. Vazquez* 18

Ovarian Development and the Formation of the Mammalian
Zona Pellucida
B. S. Dunbar, G. A. Maresh, and K. Washenik 38

Ultrastructural Aspects of the Developing Mammalian Zona
Pellucida
J. Dietl 49

Zona Binding Sites of the Spermatozoon
R. B. L. Gwatkin 61

Fractionation and Characterization of the Glycoproteins of
Zona Pellucida
M. Nakano 75

Transfer of Oviductal Proteins to the Zona Pellucida
G. Bleau and S. St-Jacques 99

Clinical Significance of Autoantibodies to the Zona Pellucida
*Takahide Mori, K. Ida, Y. Noda, H. Matsumoto,
Tsuneatsu Mori, and E. Mori* 111

Use of the Zona Pellucida as an Immunocontraceptive Target
Antigen
A. G. Sacco and E. C. Yurewicz 128

Subject Index 155
