|   |           |
|---|-----------|
| <b>1 Introduction .....</b>   | <b>1</b>  |
| <b>1.1 Problem Description .....</b>  | <b>1</b>  |
| <b>1.2 Objectives .....</b>   | <b>5</b>  |
| <b>1.3 Structure of Work.....</b>   | <b>6</b>  |
| <b>2 Framework Conditions for the Application of Value Based Performance Measures .....</b>                           | <b>9</b>  |
| <b>2.1 Maximisation of Shareholder Value as Primary Goal of Companies.....</b>  | <b>9</b>  |
| 2.1.1 Necessity of Value Based Management for Companies in Today's Business EEnvironment .....                        | 9         |
| 2.1.1.1 Development of Value Based Management.....  | 9         |
| 2.1.1.2 Elements and Objectives of Value Based Management .....   | 10        |
| 2.1.2 Shareholder Value Approach as one Characteristic Form of Value Based Management.....                            | 13        |
| 2.1.2.1 Shareholder Value Network.....  | 13        |
| 2.1.2.2 Critical Discussion of Shareholder Value Approach .....   | 16        |
| 2.1.3 Calculation of Cost of Capital as a Crucial Part of Value Based Management and Shareholder Value Approach ..... | 18        |
| 2.1.3.1 Calculation of Cost of Equity Capital with the CAPM and Calculation of Cost of Debt Capital .....             | 18        |
| 2.1.3.2 Critique of CAPM.....   | 22        |
| <b>2.2 Conflicts of Interest Between Investors and Managers .....</b>   | <b>24</b> |
| 2.2.1 Classification of Principal Agent Theory and Justification of its Application .....                             | 24        |
| 2.2.2 Structure of Principal Agent Relationships .....  | 25        |
| 2.2.3 Kinds of Information Asymmetries and Resulting Information Problems .....                                       | 27        |
| 2.2.3.1 Hidden Characteristics and Adverse Selection .....  | 27        |
| 2.2.3.2 Hidden Action and Hidden Information .....  | 28        |
| 2.2.4 Relationship Between Investors and Managers on the Basis of the Principal Agent Theory .....                    | 29        |
| 2.2.4.1 The Model of Jensen and Meckling.....   | 29        |
| 2.2.4.2 Accounting and Reporting of Key Figures as Important Tools for Reducing Information Asymmetries.....          | 33        |
| 2.2.5 Effects of Information Asymmetries on Cost of Capital .....   | 39        |
| 2.2.6 Critiques of Principal Agent Theory .....   | 42        |
| <b>2.3 Relevance of Information on Capital Markets and for its Actors .....</b>                                       | <b>43</b> |
| 2.3.1 Price Formation on Capital Markets Depending on the Level of Information .....                                  | 43        |
| 2.3.1.1 Efficient Market Model and Levels of Market Efficiency.....   | 43        |
| 2.3.1.2 Critique of Efficient Market Model .....  | 47        |
| 2.3.1.3 Empirical Insights on the Information Efficiency of Capital Markets.....                                      | 49        |
| 2.3.2 Crucial Actors on Capital Markets and their Information Needs .....   | 51        |

|            |  |            |
|------------|--|------------|
| 2.3.2.1    | Classification of Actors on Capital Markets.....   | 51         |
| 2.3.2.2    | Information Needs of Actors .....  | 56         |
| <b>2.4</b> | <b>Information Delivery of Companies on the Basis of IFRS Annual Accounts and Value Reporting.....</b>                                   | <b>61</b>  |
| 2.4.1      | Role of Accounting in the Context of Principal Agent Theory, Theory of Efficient Capital Markets and Information Needs of Investors..... | 61         |
| 2.4.2      | IFRS as Rules for Disclosing Financial Statements.....   | 62         |
| 2.4.3      | Evaluation of IFRS from an Investor's Point of View.....   | 66         |
| 2.4.3.1    | Benefits and Advantages of IFRS.....   | 66         |
| 2.4.3.2    | Costs and Flaws of IFRS Reporting.....   | 70         |
| 2.4.4      | Value Reporting as a Supplement of IFRS Reporting .....  | 76         |
| 2.4.4.1    | Definition and Objectives of Value Reporting .....   | 76         |
| 2.4.4.2    | Reduction of Communication Gaps by Value Reporting .....   | 79         |
| 2.4.4.3    | Principles of Value Reporting and appropriate communication channels .....   | 80         |
| 2.4.4.4    | Elements of Value Reporting.....   | 82         |
| 2.4.4.5    | Integrated Report as Latest Development of Value Reporting .....   | 87         |
| <b>3</b>   | <b>Critical Evaluation of Selected Value Concepts.....</b>   | <b>91</b>  |
| <b>3.1</b> | <b>Traditional Key Figures Used Commonly by Investors.....</b>   | <b>91</b>  |
| 3.1.1      | Systematisation of Traditional Key Figures.....  | 91         |
| 3.1.2      | Price Earnings Ratio and Earnings per Share .....  | 93         |
| 3.1.3      | Return on Equity and Return on Sales .....   | 95         |
| 3.1.4      | Return on Investment .....   | 97         |
| <b>3.2</b> | <b>Concept of Value Based Key Figures.....</b>   | <b>98</b>  |
| 3.2.1      | Systematisation of Value Based Key Figures .....   | 98         |
| 3.2.2      | Advantages of Value Based Key Figures and Flaws of Traditional Key Figures.....  | 101        |
| 3.2.3      | Evaluation Criteria for Value Based Performance Measures .....   | 103        |
| <b>3.3</b> | <b>Value Based Performance Measures Focussing on a Single Period .....</b>   | <b>107</b> |
| 3.3.1      | Concept of Residual Income (Preinreich-Lücke Theorem) .....  | 107        |
| 3.3.2      | Result-Based Key Figures.....  | 111        |
| 3.3.2.1    | ROCE Spread and Value Added.....   | 111        |
| 3.3.2.2    | Economic Value Added.....  | 118        |
| 3.3.3      | Cash Flow Based Key Figures.....   | 127        |
| 3.3.3.1    | Cash Flow Return on Investment.....  | 127        |
| 3.3.3.2    | Cash Value Added .....   | 131        |
| 3.3.3.3    | Evaluation of Cash Flow Return on Investment and Cash Value Added .....  | 132        |
| <b>3.4</b> | <b>Value Based Performance Measures Focussing on the Total Period .....</b>  | <b>136</b> |
| 3.4.1      | Discounted Cash Flow .....   | 136        |
| 3.4.1.1    | Calculation.....   | 136        |
| 3.4.1.2    | Evaluation .....   | 141        |
| 3.4.2      | Market Value Added.....  | 143        |
| 3.4.2.1    | Calculation.....   | 143        |
| 3.4.2.2    | Evaluation .....   | 145        |
| <b>3.5</b> | <b>Overview of the Current State of Research .....</b>   | <b>147</b> |
| 3.5.1      | Application of Value Based Performance Measures in Europe.....   | 147        |

|  |            |
|--|------------|
| 3.5.2 Classification of Studies Analysing Value Relevance of Key Figures.....                | 155        |
| 3.5.2.1 Objectives and Assumptions of Capital Market Research.....                           | 155        |
| 3.5.2.2 Capital Market Research Approaches.....  | 157        |
| 3.5.2.3 Types of Statistical Tests for Determining Value Relevance .....                     | 159        |
| 3.5.3 Value Relevance of Traditional and Value Based Performance Measures..                  | 160        |
| <b>4 Application and Value Relevance of Value Based Performance Measures in Europe .....</b> | <b>169</b> |
| <b>4.1 Development of the Empirical Study .....</b>  | <b>169</b> |
| 4.1.1 Research Questions, Research Hypotheses and Objectives of Empirical Study.....         | 169        |
| 4.1.1.1 Analysis of Application of Value Based Performance Measures in Europe ..             | 169        |
| 4.1.1.2 Standardised Calculation of a Value Based Performance Measure.....                   | 171        |
| 4.1.1.3 Value Relevance of Value Based Performance Measures and Traditional Key Figures..... | 172        |
| 4.1.2 Methodology of the Study.....  | 175        |
| 4.1.2.1 Analysis of Annual Reports.....  | 175        |
| 4.1.2.2 Standardised Calculation of ROCE, ROE Spread and Value Added.....                    | 179        |
| 4.1.2.3 Association Study in the Form of a Price Level Model.....                            | 182        |
| 4.1.3 Description of Data Base.....  | 205        |
| 4.1.3.1 Analysis of Annual Reports.....  | 205        |
| 4.1.3.2 Standardised Calculation of ROCE, ROE Spread and Value Added.....                    | 207        |
| 4.1.3.3 Value Relevance Analysis .....   | 209        |
| <b>4.2 Results of the Empirical Study .....</b>  | <b>210</b> |
| 4.2.1 Analysis of Annual Reports .....   | 210        |
| 4.2.2 Standardised Calculation of ROCE Spread and Value Added.....                           | 216        |
| 4.2.3 Value Relevance of Value Added in Comparison to Selected Traditional Key Figures ..... | 219        |
| 4.2.3.1 Descriptive Statistics.....  | 219        |
| 4.2.3.2 Selection of Panel Model.....  | 228        |
| 4.2.3.3 Analysis of Regression Requirements .....  | 230        |
| 4.2.3.4 Value Relevance Analysis .....   | 238        |
| <b>4.3 Interpretation of Results .....</b>   | <b>245</b> |
| 4.3.1 Analysis of Annual Reports .....   | 245        |
| 4.3.2 Standardised Calculation of ROCE Spread and Value Added.....                           | 248        |
| 4.3.3 Value Relevance Analysis.....  | 249        |
| <b>4.4 Limitations.....</b>  | <b>253</b> |
| 4.4.1 Analysis of Annual Reports .....   | 253        |
| 4.4.2 Standardised Calculation of ROCE Spread and Value Added.....                           | 254        |
| 4.4.3 Value Relevance Analysis.....  | 255        |
| <b>5 Conclusion.....</b>   | <b>261</b> |
| <b>5.1 Summary.....</b>  | <b>261</b> |
| <b>5.2 Outlook .....</b>   | <b>267</b> |
| <b>List of Literature .....</b>  | <b>271</b> |
