1 My Company.....	8	Activity 1 Text comprehension.....	27
Activity 1 Text comprehension.....	9	Activity 2 Matching exercise	27
Activity 2 Listening.....	9	Activity 3 Dialogue	27
Activity 3 Dialogue writing	9	Activity 4 Mediation.....	27
Activity 4 Online support	10	Activity 5 Safety signs	28
Activity 5 Presentation	11	Activity 6 Look at the pictures	29
		Activity 7 Listening.....	29
2 The Basic Electric Circuit.....	12	6 Installation Basics	30
Activity 1 Text comprehension.....	12	Activity 1 Mediation.....	30
Activity 2 Vocabulary.....	12	Activity 2 Working with words	31
Activity 3 Draw a sketch	13	Activity 3 Name the parts	31
Activity 4 The direction of current	13	Activity 4 How to install a wall socket	32
Activity 5 Ohm's law	14	Activity 5 Translation	32
Activity 6 Calculations.....	14	Activity 6 Listening comprehension.....	32
Activity 7 Chain exercise.....	15	Activity 7 Describing pictures.....	33
Activity 8 Listening.....	15	Activity 8 Electricity meter.....	33
3 Resistor and Resistance	16	7 Installation Material and Standards ..	34
Activity 1 Text comprehension.....	16	Activity 1 Text comprehension.....	34
Activity 2 True or false	16	Activity 2 Units of measurement	35
Activity 3 Study the picture.....	17	Activity 3 Wire and cable colours	35
Activity 4 Find the words	17	Activity 4 Choose the right cable.....	37
Activity 5 Colour codes	17	Activity 5 Dialogue writing	37
Activity 6 Comprehension	18	Activity 6 Listening comprehension.....	37
Activity 7 Translation	18	8 Tools and Equipment	38
Activity 8 Comprehension	19	Activity 1 Matching exercise	38
Activity 9 Listening comprehension.....	19	Activity 2 Work in progress	39
4 Measuring Basics	20	Activity 3 Power tools	39
Activity 1 True or false?.....	20	Activity 4 Mediation.....	40
Activity 2 Label the picture	21	Activity 5 Repair	41
Activity 3 Listening	21	Activity 6 Listening	41
Activity 4 Units and prefixes	21		
Activity 5 Mediation	22		
Activity 6 Data sheet comprehension	22		
Activity 7 Measuring faults	24		
Activity 8 Mediation.....	24
