

1	Introduction	1
1.1	Problem Statement	1
1.2	Objective	2
1.3	Approach	3
	References	6
2	Fundamentals	7
2.1	Planning and Reporting in Relation to Corporate Management and Controlling	7
2.2	Basics of Planning and Reporting	10
2.2.1	Planning Definition	10
2.2.2	Targets and Tasks of Planning	15
2.2.3	Reporting Definition	16
2.2.4	Targets and Tasks of Reporting	18
2.2.5	General Influencing Factors of Planning and Reporting	20
2.3	Integrated Analysis Profile for Planning and Reporting	21
	References	23
3	Professional Content Design	25
3.1	Relation to Corporate Strategy	26
3.1.1	Integration of Strategic, Tactical and Operational Control	27
3.1.2	Planning Premises and Top-Down Specifications	36
3.2	Value-Creating Factors of the Business Model	37
3.3	Structure and Navigation in Reporting	39
3.4	Structure and Navigation in Planning	45
3.5	Reporting and Planning Objects (Dimensions, Hierarchies and Values)	48
3.6	Types of Reports	50
3.7	Basic Forms of Reporting	52
3.7.1	Actual-Actual Comparisons	52

3.7.2	Target-Actual or Planned-Actual Comparisons	53
3.7.3	Planned-Forecast-Comparisons (Feedforward/ Extrapolations/Predictions)	54
3.7.4	Target Achievement Reports	56
3.7.5	Time Series Analysis	57
3.7.6	ABC, Flop/Top and Class Analysis	58
3.7.7	Portfolio Analysis	61
3.7.8	Object and Benchmark Comparisons	62
3.7.9	Break-Even Analysis	64
3.7.10	Scoring or Utility Analyses	66
3.8	Report Design	67
3.8.1	Filter or Selection Criteria	67
3.8.2	Layout	68
3.8.3	Tables	73
3.8.4	Charts and Other Visualization Aids	80
3.8.5	Comments, Messages and Management Summary	110
3.9	Control in the BI-Supported Controlling Cockpit	111
3.9.1	Cockpit Executive Board: Operational Controlling.	115
3.9.2	Executive Board Cockpit: Strategic Controlling	146
3.9.3	Cockpit Reports for Sales	166
3.9.4	Cockpit Reports for Production	188
3.9.5	Cockpit Reports for Purchasing.	226
3.9.6	Cockpit Reports for Project Management	245
3.10	Planning Forms and Their Peculiarities	258
3.11	Alignment of Planning and Reporting Content	262
3.12	Exemplary Planning Areas in the BI-Supported Controlling Cockpit. . .	264
3.12.1	Balanced Scorecard in the Context of Strategic Planning	264
3.12.2	Sales and Revenue Planning	265
3.12.3	Resource Planning	269
3.12.4	Purchase Price Planning	270
3.12.5	Personnel and Plant Planning	272
	References	275
4	Organization and Processes	283
4.1	Organizational Integration	283
4.1.1	Company Size	284
4.1.2	Corporate Connections	293
4.1.3	Organizational Structure	296
4.1.4	Leadership Style	299
4.1.5	Participants.	300

4.2	Processes	306
4.2.1	Introduction Process	306
4.2.2	Cyclical Planning Process	323
4.2.3	Cyclical Reporting Process	329
4.2.4	Quality Assurance Process.....	343
