

Acknowledgments	v
Preface	ix
1 Description	1
1.1 Terminology and Definitions	2
1.1.1 Harm Reduction Heartset Is Foundational	2
1.1.2 Harm Reduction Mindset Is Pragmatic	2
1.1.3 Harm Reduction Across Ecological Systems	3
1.2 Applying Harm Reduction in Clinical Work	3
1.2.1 Accepting Substance Use Is Here to Stay	3
1.2.2 Acknowledging Reasons for Clients' Use	3
1.2.3 Recognizing Substance-Related Harm Is Shaped by Systems	4
1.2.4 Supporting Clients' Own Steps Toward Harm Reduction	6
1.2.5 Working Toward Social Justice and Racial Equity	7
1.3 Rationale for Harm Reduction	8
1.3.1 Abstinence-Only Approaches Are Disempowering	8
1.3.2 Abstinence-Only Approaches Do Not Consistently Engage	10
1.3.3 Harm Reduction Approaches Are Effective	11
1.4 The Harm Reduction Treatment Model	12
1.5 Related and Foundational Treatment Models	14
1.5.1 "Controlled Drinking"	15
1.5.2 Brief Interventions in Health Care Settings	16
1.5.3 Personalized Normative Feedback Interventions	16
1.5.4 Motivational Interviewing	17
1.5.5 Guided Self-Change	17
1.5.6 Harm Reduction Psychotherapy	18
1.6 Conclusions	19
2 Theories and Models	20
2.1 Pharmacological Treatment for Harm Reduction	20
2.2 Behavioral Harm Reduction Treatment	22
2.2.1 HaRT Mindset	23
2.2.2 HaRT Heartset	25
2.2.3 HaRT Components	26
2.3 What HaRT Is <i>Not</i>	29
3 Assessment and Treatment Indications	32
3.1 Treatment Indication	32
3.2 Preparation for HaRT	33
3.2.1 Reflecting On and Readyng Your Practice Setting	33
3.2.2 Preparing to Navigate Systems For and With Clients	36

3.3	Assessment of HaRT Efficacy on Key Outcomes	40
3.3.1	Assessment of Safer-Use Strategies and Harm Reduction Goal Setting	40
3.3.2	Assessment of Substance Use Outcomes	42
3.3.3	Lab Testing and Biomarkers.....	43
3.3.4	Measures of QoL Outcomes	44
3.3.5	Measures for Utilization and Cost Analysis	44
3.3.6	Treatment Integrity Materials and Measures	45
4	HaRT Implementation	46
4.1	Method of Approach	46
4.1.1	HaRT Mindset	46
4.1.2	HaRT Heartset	51
4.1.3	HaRT Components and Their Integration in Initial and Follow-Up Sessions	63
4.1.4	Auxiliary HaRT Components.....	78
4.2	HaRT Efficacy and Prognosis	84
4.2.1	Behavioral Harm Reduction Treatment for AUD	84
4.2.2	Combined Pharmacotherapy and Behavioral Treatment	86
4.3	Problems in Carrying Out the Approaches	86
4.4	Diversity Issues	88
5	Afterword	90
6	Case Vignettes	91
7	Further Reading	95
8	References	97
9	Appendix: Tools and Resources	108
