Betty O Ajibade, Omotola F. Olagunju, Oluwatosin Ademola Ijabadeniyi

3 Cereals and cereal products — 81

Tremayne S. Naiker, John J. Mellem

**4 Processing operations and effects on the characteristics of legume
grains for food system applications — 111**

Olugbenga Philip Soladoye,

5 Meat and meat products processing — 127

Ayojesutomi O. Abiodun-Solanke

6 Fish and shellfish processing — 153

Part 2: Food microbiology and use of microorganisms

Titilayo Adenike Ajayeoba, Oluwatosin Mary Kaka, Oluwatosin Akinola Ajibade

7 Microbial food spoilage of selected food and food products — 173

Angela Parry-Hanson Kunadu, Emmanuel Addo-Preko,
Nikki Asuming-Bediako

8 Microbiological safety of foods — 193

Irina V. Rozhkova, Konstantin V. Moiseenko, Olga A. Glazunova, Anna V. Begunova,
Tatyana V. Fedorova

**9 Russia and Commonwealth of Independent States (CIS) domestic
fermented milk products — 215**

Abimbola M. Enitan-Folami, Feroz M. Swalaha

10 Application of biotechnology in the food industry — 235

Part 3: Food chemistry, analysis and nutrition

Aribisala Jamiu Olaseni, Madende Moses,
Oyedeji Amusa Mariam Oyefunke, Sabiu Saheed

**11 Dietary nutrients, antinutritional factors, and valorization of food
waste — 281**

**Part 4: Product development, sensory evaluation,
and packaging**

Adeoluwa Iyiade Adetunji

12 Food trends and development of new food products — 323

ARISE, Abimbola Kemisola, Akintayo Olaide

13 Understanding sensory evaluation of food — 343

Mlungisi Mtolo, Faith Ruzengwe, Oluwatosin Ademola Ijabadeniyi

14 Food packaging and packaging innovations — 361

Part 5: Food innovations and nonthermal processing

Dele Raheem

15 Blockchain and food traceability — 391

Ajibola Bamikole Oyedeji, Olayemi Eyituyo Dudu, Oluwatosin Ademola Ijabadeniyi,
Oluwafemi Ayodeji Adebo

16 Big data and the food industry — 409

Samson A. Oyeyinka, Ocen M. Olanya, Beatrice I.O. Ade-Omowaye,
Brendan A. Niemira

17 Nonthermal processing techniques for innovative food processing — 425

Sabiú Saheed, Pillay Charlene, Garuba Taofeeq, Ngcala Mamosa

18 Food scanners: applications in the food industry — 445

Christiana Elejo Aruwa, Oluwatosin Ademola Ijabadeniyi

19 Climate-smart food systems — 465

Part 6: Food business, management and regulation

Oluwatoyin Oluwole, Ahmad Cheikhoussef, Fatima Raji, Olaide Akande,
Oyedéji Ajibola Bamikole, Oluwatosin Ademola Ijabadeniyi
