|                                                                                   |     |
|-----------------------------------------------------------------------------------|-----|
| Vorbemerkungen .....                                                              | 7   |
| NABURIANU und KIDINNU .....                                                       | 11  |
| Milesische Naturphilosophen (THALES,<br>ANAXIMANDROS, ANAXIMENES) .....           | 13  |
| ARCHYTAS VON TARENT .....                                                         | 18  |
| EUDOXOS VON KNIDOS .....                                                          | 22  |
| ARISTOTELES .....                                                                 | 26  |
| ARISTARCHOS VON SAMOS .....                                                       | 33  |
| ARATOS .....                                                                      | 35  |
| APOLLONIOS VON PERGE .....                                                        | 36  |
| HIPPARCHOS .....                                                                  | 38  |
| KLAUDIOS PTOLEMAIOS .....                                                         | 41  |
| ABUL HASAN THABIT IBN KURRA .....                                                 | 45  |
| ABU ABD ALLAH MUHAMMAD IBN DSCHABIR IBN SINAN<br>AL-BATTANI (ALBATE[G]NIUS) ..... | 48  |
| ABU L-HUSAIN ABD AR-RAHMAN IBN OMAR AS-SUFI .....                                 | 49  |
| ABU 'ALI AL-HASAN IBN AL-HASAN IBN AL-HAITHAM<br>(ALHAZEN) .....                  | 52  |
| NUR AD-DIN AL-BITRUDSCHI (ALPETRAGIUS) .....                                      | 54  |
| JOHANNES DE SACROBOSCO .....                                                      | 56  |
| ULUGH-BEG .....                                                                   | 57  |
| GEORG PEURBACH .....                                                              | 59  |
| JOHANNES REGIOMONTANUS .....                                                      | 62  |
| NICOLAUS COPERNICUS .....                                                         | 66  |
| PETER APIAN .....                                                                 | 73  |
| GER(H)ARDUS MERCATOR .....                                                        | 75  |
| WILHELM IV., LANDGRAF VON HESSEN-KASSEL .....                                     | 78  |
| WILLIAM GILBERT .....                                                             | 81  |
| TYCHO BRAHE .....                                                                 | 83  |
| GALILEO GALILEI .....                                                             | 86  |
| DAVID FABRICIUS und JOHANNES FABRICIUS .....                                      | 94  |
| JOHANNES KEPLER .....                                                             | 97  |
| JOHANN BAYER .....                                                                | 104 |
| SIMON MAYR .....                                                                  | 106 |
| CHRISTOPH SCHEINER .....                                                          | 107 |
| GIAMBATTISTA RICCIOLI .....                                                       | 111 |
| OTTO VON GUERICKE .....                                                           | 114 |
| GIOVANNI ALFONSO BORELLI .....                                                    | 118 |
| JOHANNES HEVELIUS .....                                                           | 120 |
| GIOVANNI DOMENICO CASSINI ( <i>Cassini I</i> ) .....                              | 122 |
| CHRISTIAAN HUYGENS .....                                                          | 125 |
| ISAAC NEWTON .....                                                                | 129 |
| OLE RØMER .....                                                                   | 134 |
| JOHN FLAMSTEED .....                                                              | 137 |
| EDMOND HALLEY .....                                                               | 139 |

|                                             |     |
|---------------------------------------------|-----|
| JACQUES CASSINI ( <i>Cassini II</i> ) ..... | 142 |
| JAMES BRADLEY .....                         | 144 |
| ANDERS CELSIUS .....                        | 146 |
| ALEXIS-CLAUDE CLAIRAU(L)T .....             | 147 |
| TOBIAS MAYER .....                          | 149 |
| IMMANUEL KANT .....                         | 151 |
| WILLIAM (FRIEDRICH WILHELM) HERSCHEL .....  | 154 |
| GIUSEPPE PIAZZI .....                       | 159 |
| PIERRE SIMON DE LAPLACE .....               | 161 |
| WILHELM OLBERS .....                        | 162 |
| CARL FRIEDRICH GAUSS .....                  | 164 |
| FRIEDRICH WILHELM BESSEL .....              | 166 |
| FRANZ ENCKE .....                           | 169 |
| JOHN HERSCHEL .....                         | 170 |
| WILHELM VON STRUVE .....                    | 172 |
| FRIEDRICH ARGELANDER .....                  | 174 |
| GEORGE AIRY .....                           | 176 |
| CHRISTIAN DOPPLER .....                     | 178 |
| JOHANN GOTTFRIED GALLE .....                | 180 |
| ANGELO SECCHI .....                         | 182 |
| OTTO WILHELM VON STRUVE .....               | 184 |
| WILLIAM HUGGINS .....                       | 185 |
| BENJAMIN APTHORP GOULD .....                | 187 |
| FRIEDRICH ZÖLLNER .....                     | 190 |
| GIOVANNI VIRGINIO SCHIAPARELLI .....        | 194 |
| NORMAN LOCKYER .....                        | 195 |
| ARTHUR VON AUWERS .....                     | 197 |
| HERMANN CARL VOGEL .....                    | 199 |
| EDWARD PICKERING .....                      | 201 |
| SETH CARLO CHANDLER .....                   | 204 |
| HUGO VON SEELIGER .....                     | 205 |
| JAKOBUS CORNELIUS KAPTEYN .....             | 207 |
| HENRI DESLANDRES .....                      | 209 |
| JAMES EDWARD KEELER .....                   | 211 |
| EDWARD EMERSON BARNARD .....                | 213 |
| MAX WOLF .....                              | 215 |
| GEORGE HALE .....                           | 219 |
| EJNAR HERTZSPRUNG .....                     | 221 |
| KARL SCHWARZSCHILD .....                    | 223 |
| JAMES JEANS .....                           | 225 |
| ALBERT EINSTEIN .....                       | 226 |
| ARTHUR EDDINGTON .....                      | 230 |
| HARLOW SHAPLEY .....                        | 232 |
| EDWIN P. HUBBLE .....                       | 234 |
| WALTER BAADE .....                          | 238 |
| JAN OORT .....                              | 242 |
| HANS ELSÄSSER .....                         | 246 |
| Erwähnte Naturwissenschaftler .....         | 249 |
