Dedication.....	v
Acknowledgments	vii
Preface	xi
1 Description.....	1
1.1 Terminology	1
1.2 Definition.....	1
1.3 Telemental Health	1
1.3.1 Nonpublic Facing Video Communication	2
1.3.2 HIPAA Compliance	2
1.3.3 HITECH Act	3
1.3.4 Reimbursement.....	3
1.4 Mobile (Mental) Health	3
1.5 Mental Health Apps	4
1.6 Digital Therapeutics	5
1.7 Stand-Alone Treatments	5
1.8 Digital Games	7
1.9 Augmented and Virtual Reality	7
1.10 Just-in-Time (Adaptive) Intervention	8
1.11 Artificial Intelligence and Machine Learning	9
1.12 Psychological Interjurisdictional Compact.....	9
2 Theories and Models	13
2.1 Evidence-Based Practice	13
2.1.1 Cognitive and Behavioral Theories	14
2.2 Health Behavior Models	16
2.3 Technology Acceptance Model	16
2.4 Implementation Models	17
2.5 User-Centered Design	18
2.6 Models of Incorporating Digital Mental Health Tools Into Practice ..	19
3 Assessment and Treatment Indications	21
3.1 Case Conceptualization	21
3.2 Participants (Parent or Child)	23
3.3 Sociodemographic Factors.....	23
3.3.1 Socioeconomic Status	24
3.3.2 Age	24
3.3.3 Parent Gender and Family Structure	25
3.3.4 Race/Ethnicity	26
3.3.5 Sexual and Gender Minority Youth	27

3.3.6	Geographic Region	27
3.4	Technological Literacy	28
3.5	Attitudes	29
3.6	Disorder	30
4	Treatment	32
4.1	Methods of Treatment	32
4.1.1	Evidence Base for Digital Tools in Clinical Practice With Children ...	33
4.1.2	Integration of Digital Tools in Clinical Practice With Children	34
4.1.3	Security and Privacy With Digital Tools in Clinical Practice With Children	35
4.1.4	Ethical Issues With Digital Tools in Clinical Practice With Children ...	36
4.1.5	Cultural Considerations With Digital Tools in Clinical Practice With Children	37
4.2	Mechanisms of Action	39
4.3	Efficacy and Prognosis	40
4.3.1	Does Technology Increase Access to Children's Mental Health Services?	41
4.3.2	Does Technology Increase Engagement in Children's Mental Health Services?	42
4.3.3	Does Technology Improve Outcomes of Children's Mental Health Services?	42
4.3.4	Summary	44
4.3.5	Implementation Outcomes	44
4.4	Variations of the Method and Combinations With Other Approaches	45
4.5	Problems in Carrying Out the Treatments	47
4.6	Multicultural Issues	48
5	Case Vignettes	50
6	Further Reading	62
7	References	64
8	Appendix: Tools and Resources	71
