

Part I General Aspects of Spinal Surgery

1	Definition and Trends of Modern Spinal Surgery	3
	Uwe Vieweg	
2	Principles of Surgical Stabilisation of the Spine	9
	Tobias Pitzen, Jörg Drumm, Gregor Ostrowski, and Michael Ruf	
3	Implant Materials in Spinal Surgery	17
	Werner Schmoelz	
4	Mechanical and Biomechanical Testing of Spinal Implants	23
	Werner Schmoelz and Annette Kienle	
5	Spinal Retractors	29
	Luca Papavero	
6	Fluoroscopy and Spinal Navigation	37
	Stefan Kroppenstedt	
7	Surgical Microscopy in Spinal Surgery	45
	Frank Grochulla	
8	Endoscopy in Spinal Surgery	51
	Uwe Vieweg	
9	Equipment for Full Endoscopic Spinal Surgery	61
	Sebastian Ruetten	
10	Electrosurgery	65
	Uwe Vieweg	
11	Surgical Motor Systems in Spinal Surgery	71
	Frank Grochulla and Uwe Vieweg	
12	Bone Grafts and Bone Graft Substitutes	77
	Robert Morrison	
13	On- and Offline Documentation of Spine Procedures: Spine Tango	83
	Thomas Zweig, Marco Teli, Everard Munting, Samuel Morris, and Markus Melloh	
14	Spinal Orthoses	91
	Uwe Vieweg	
15	Biological Repair Options in Degenerative Disk Diseases	99
	Christian Hohaas and Hans Jörg Meisel	

16 **Medical Strengthening Therapy for Treatment of Back Pain.** 105
Christoph Spang, Bruno Domokos, and Florian Maria Alfen

17 **Haemostasis in Spinal Surgery: An Overview** 113
Fabio Dos Santos

18 **Prophylaxis Against Thromboembolism in Spinal Surgery** 127
Uwe Vieweg

19 **Minimizing Human Error in Spinal Surgery** 135
Uwe Vieweg and Robert Morrison

20 **Sagittal Balance Concept: Radiological Measurement Parameters.** 143
Theophilo Asfora Lins, Guilherme Augusto Foizer, and Wilson T. Asfora

21 **Patient Positioning Techniques in Spinal Surgery** 149
Sven Y. Vetter and Uwe Vieweg

Part II Anterior Upper Cervical Spine

22 **Overview of Surgical Techniques and Implants
for the Anterior Upper Cervical Spine** 159
Meic H. Schmidt

23 **Odontoid Screw Fixation** 163
Meic H. Schmidt

24 **Anterior Transarticular Screw Fixation C1/C2** 173
Uwe Vieweg and Meic H. Schmidt

25 **Transoral Resection of the Odontoid Process.** 179
Meic H. Schmidt and Uwe Vieweg

26 **Cervical Tong Extension and the Halo Fixator** 183
Uwe Vieweg, Pia Borgas, and Kiril Mladenov

Part III Anterior Cervical Spine

27 **Overview of Surgical Techniques and Implants.** 191
Tobias Pitzen, Jörg Drumm, Gregor Ostrowski, and Michael Ruf

28 **Anterior Cervical Discectomy and Fusion** 199
Frank Grochulla

29 **Uncoforaminotomy** 207
Kirsten Schmieder

30 **Anterior Cervical Plating.** 213
Tobias Pitzen, Jörg Drumm, Gregor Ostrowski, and Michael Ruf

31 **Cage Implantation in the Cervical Spine** 219
Uwe Vieweg

32 **Implantation of a Cervical Disc Prosthesis.** 227
Uwe Vieweg

33 **Percutaneous Anterior Endoscopic Cervical Decompression** 235
Stefan Hellinger

Part IV Posterior Cervical Spine

34 Overview of Surgical Techniques and Implants.241
Stefan Schären

35 Foraminotomy247
Frank Grochulla

36 Laminoplasty251
Frank Grochulla

37 Occipital Cervical Stabilization with Rod-Screw Systems257
Grégoire P. Chatain, Meic H. Schmidt, and Michael A. Finn

38 Posterior Transarticular C1/C2 Screw Technique265
Michael Winking

39 C1–C2 (Harms) Technique273
Christian Schultz

40 Rod-Screw Stabilization of the Posterior Cervical Spine277
Uwe Vieweg

Part V Anterior Thoracic Spine

41 Overview of Surgical Techniques and Implants.285
Christian Schultz

42 Anterolateral Endoscopic Stabilization289
Oliver Gonschorek

43 Vertebral Body Replacement295
Jürgen Nothwang

44 Anterior Correction of Scoliosis305
Cornelius Wimmer

**45 Dynamic Scoliosis Correction: A Motion-Preserving Surgical
Technique for Scoliosis**313
Per Trobisch

46 Vertical Expandable Prosthetic Titanium Rib (VEPTR)321
Cornelius Wimmer and Uwe Vieweg

Part VI Posterior Thoracic Spine

47 Overview of Surgical Techniques and Implants.329
Paulo Tadeu Maia Cavali

48 Stabilization of the Thoracic Spine with Internal Fixator335
Robert Morrison and Uwe Vieweg

**49 Transpedicular Stabilization with Freehand Technique
on the Thoracic Spine**341
Paulo Tadeu Maia Cavali

50 Posterior Correction of Adolescent Idiopathic Scoliosis (AIS)349
Torsten Bräuer

51 **Thoracic Vertebrectomy and Spinal Reconstruction
Via Posterior or Combined Approaches** 361
M. Ruf, J. Petrovics, G. Ostrowski, and T. Pitzen

52 **Magnetically Controlled Growing Rod** 375
Jacques D. Müller-Broich

Part VII Anterior Lumbar Spine

53 **Overview of Surgical Techniques and Implants** 387
Karsten Wiechert

54 **Anterior Lumbar Interbody Fusion (ALIF) Using Bone or Cage** 393
Karsten Wiechert and Uwe Vieweg

55 **Total Lumbar Disk Replacement** 407
Christoph J. Siepe

56 **Extreme Lateral Interbody Fusion (XLIF)** 417
Valentin Quack, Uwe Vieweg, and Philipp Kobbe

Part VIII Posterior Lumbar Spine

57 **Overview of Surgical Techniques and Implants** 425
Uwe Vieweg

58 **Microsurgical Intra- and Extrapinal Discectomy** 433
Luca Papavero

59 **Microsurgical Decompression** 447
Frank Grochulla

60 **Endoscopic Lumbar Disk Surgery** 453
Sebastian Ruetten

61 **Translaminar Screw Fixation** 459
Stefan Schären

62 **Vertebroplasty and Kyphoplasty** 463
Khalid Saeed, Edward Bayle, and Bronek Boszczyk

63 **Transpedicular Stabilization with Internal Fixation
in the Thoracolumbar and Lumbar Spine** 469
Robert Morrison and Uwe Vieweg

64 **Correction of Degenerative Scoliosis with Polyaxial Internal
Fixator and Intercorporeal Fusion with TLIF and PLIF Cages** 475
Uwe Vieweg and Robert Morrison

65 **Correction of Spondylolisthesis** 481
Uwe Vieweg

66 **Transforaminal Lumbar Interbody Fusion** 489
Stefan Kroppenstedt and Uwe Vieweg

67 **Cement Augmentation of Pedicle Screw Fixation** 497
Jürgen Nothwang

68	Less Invasive Pedicle Screw Instrumentation of Lumbar Spine Fractures	507
	Ulrich Hahn	
69	Microsurgical Monosegmental Fusion with Internal Fixator and Transforaminal Interbody Fusion (TLIF)	517
	Uwe Vieweg and Stefan Kroppenstedt	
70	Posterior Lumbar Interbody Fusion with an Interbody Fusion Spacer or Cage	529
	Uwe Vieweg and Steffen Sola	
71	Transsacral Screw Fixation for High-Grade L5/S1 Spondylolisthesis Including Spondyloptosis	537
	Palaniappan Lakshmanan and Sashin Ahuja	
72	Percutaneous Pedicle Screw Instrumentation and Pedicle Screw Augmentation with Vertebral Body Stenting (VBS) in Cases with Unstable Osteoporotic Thoracolumbar Fractures	543
	Uwe Vieweg	
73	Percutaneous Interspinous Process Implantation	555
	Uwe Vieweg	

Part IX Sacrum and Iliosacral Joint

74	Overview of the Different Approaches and Different Techniques of the Sacrum and the Sacroiliac Joint	565
	Uwe Vieweg	
75	Percutaneous Dorsolateral Fusion of the Sacroiliac Joint	569
	Uwe Vieweg, Johannes Keck, and Hannes Moritz	
76	Fusion Surgery of the Sacroiliac Joint (DIANA®/NADIA®)	577
	Volker Fuchs	
77	Percutaneous Iliosacral Screw (ISS) Technique	585
	Jörg Böhme, Uwe Vieweg, Johannes Keck, and Hannes Moritz	
78	En Block Resection of the Sacrum	593
	Mehmet Zileli
