

Contents

Cell to Cell Signaling in Chlamydomonas W. J. Snell.....	1
Molecular Turnover and Memory: A Molecular Cell Biological Approach R. J. Mayer and R. Earl.....	11
The Role of Extracellular Adhesion Proteins and of the Extracellular Matrix in Reaggregation of Dissociated Sponge Cells W. E. G. Müller, B. Diehl-Seifert, M. Gramzow, U. Friese, K. Renneisen and H. C. Schröder.....	21
Detection and Transduction of Physical Stimuli in Plants K. L. Edwards and B. G. Pickard.....	41
Environmentally Induced Protein Movements and Membrane Reorganization: A Means for Inter and Intracellular Communication? A. Waksman.....	67
Functional Recognition of Bacterial Mitogens by Reactive B Lymphocytes related to Membrane Protein Composition B. Kleine, L. Biesert, I. Dölker, R. Sprenger, H.-M. Vordermeier, A. Coutinho and W. Bessler.....	87
Hormones and Anti-Hormones Effects on Cultured Guinea-Pig Uterine Epithelial Cell Surface M. Alkhalaf, G. Chaminadas, A. Y. Propper and G. L. Adessi.....	101
The Cell Surface in Signal Transduction: Membrane Glycoproteins D. J. Bowles.....	111
Spatio-Temporal Organization of the Apoplast as a Signal Effector in Cell Growth Polarity: Experimental Evidence B. Satiat-Jeunemaitre.....	129
Glycoproteins as Putative Male Recognition Factors of the Pollen-Stigma Interaction in Brassica Oleracea T. Gaude, S. Detchepare and C. Dumas.....	139
Oligosaccharins - Complex Carbohydrate Regulatory Molecules P. Albersheim, A. G. Darvill, K. R. Davis, S. H. Doares, D. J. Gollin, R. O'Neill, P. R. Toubart and W. S. York....	147

Phosphoinositides in Cell Suspension Cultures of Glycine Max Ch. Hoffmann and H. Grisebach.....	151
Flowering and Leaf-Shoot Interactions H. Greppin, G. Auderset, M. Bonzon, R. Degli Agosti and C. Penel.....	157
Circumnutation: A Model for Signal Transduction from Cell to Cell B. Millet, D. Melin and P. Badot.....	169
Are Microtubules and Microfibrils of Mimosa Motor Cells Involved in Leaf Motility? P. Fleurat-Lessard, G. Roblin and J. Bonmort.....	181
Storage and Retrieval of Morphogenetic Messages in Plantlets of Bidens Pilosus L. M. O. Desbiez, M. Thellier and P. Champagnat.....	189
Electrochemistry of Plant Membranes and Signal Transduction J. A. Raven.....	205
