

Activities for Alternative Assessment – Contents

	Introduction to Alternative Assessment		The changing role of assessment; assessment purposes: summative and formative; assessment alternatives; theoretical underpinnings, embedding assessment into learning/teaching	8
	Micro-strategies and tools	<i>Levels of example activities</i>	Strategies to help you embed assessment into your teaching and assessment tools.	17
1a	Communicative language competences	All	noticing the gap; text reconstruction; videogloss; regrammaring	17
1b	Facilitating a focus on form	All	focused grammar production tasks, receptive grammar tasks, gap-fill activities, open-ending	19
1c	Teaching and assessing skills	All	eliciting more output; unassessed rehearsal – assessed performance; process writing	22
1d	Checking/ assessing comprehension	All	CCQs; Traffic lights; Four corners; miscomprehension questions	24
1e	Running and ending a lesson	All	Shout out; Stop for a minute; exit ticket; vocabulary exit slips	26
1f	Checklists	All	Pre-submission checklist for writing; checklist for speaking	31
1g	Rating scales	All	Rating scales for writing tasks and oral presentations	32
1h	Rubrics	All	Holistic rubric; analytic rubric; devising own rubric	33
	Self-assessment		Activities for students to reflect on and plan their own learning, and assess their achievements.	36
2a	Learning logs and learning journals	A2+	Students reflect on their learning in a language learning log.	36
2b	Personalized learning plans	A2+	Each student draws up a learning plan to keep track of their learning outside the class.	41
2c	Proof listening	B1+	Students record themselves speaking, then transcribe themselves and edit the transcripts.	44
2d	Vocabulary checklist	any	Students go through a vocabulary list and assess how well they know the words.	46

2e	Collaboratively constructed model answer	B1+	Students prepare an answer to an exam speaking task in writing, then compare with a model answer.	49
2f	Using homework as a tool for assessment	B1+/B2	After completing homework, students do a slightly modified version of the same task in class.	52
	Peer assessment		The activities in this unit help learners to become effective assessors of their peers.	54
3a	Two stars and a wish	B1	Students prepare for peer assessment.	54
3b	Pair peer assessment	B1	Students interview and assess each other.	58
3c	3-3-3 Speaking technique	B1	An evidence-based speaking activity with a peer assessment component added.	60
3d	Fly on the wall	B1	A student observes two peers performing a dialogue and notes down chunks they use.	64
3e	Peer assisted learning strategies (PALS)	A2+	Stronger readers help and assess weaker readers.	66
	Portfolios		This unit introduces different ways of working with portfolios.	69
4a	Classic portfolio	any	Students demonstrate the evolution of their work by compiling a portfolio.	69
4b	Passport – biography – dossier	any	Students set learning goals using the Biography section of an ELP.	76
4c	ELP for young learners	A1-B1	ELP model adapted for YLs	82
4d	ePortfolios	B1+	Students compile a webfolio, which can be used for future learning and employment.	86
	Projects		The activities in this unit include a variety of structured, semi-structured and unstructured projects.	90
5a	Students own podcast channel	B2+	Students, in pairs, record a series of podcasts.	90
5b	Vox Pop	B1+	Students conduct interviews with people on the street and present recordings in class.	95
5c	Show and tell	A2+	Students bring an object to class and talk about it.	99

5d	Pecha Kucha	B2+/C1	Students prepare and deliver rapid-fire presentations supported by 20 PPT slides.	101
5e	Poster presentation	B2+	EAP students prepare and deliver poster presentations, a format popular at academic conventions.	105
5f	Class play	B2	Students write, direct and star in their own play.	109
	Informal assessment		The activities in this unit focus on vocabulary and grammar.	113
6a	From receptive to productive	A2+	Assessing how many new vocabulary items students can recall with contextual clues.	113
6b	By ear not by eye	B2	A low prep activity in which students listen to gapped sentences and complete the gaps.	116
6c	Passive voice as vocab	B1+	An alternative way of teaching and assessing this 'difficult' area of English grammar.	119
6d	Test wrapper	any	Students try to predict their test score, then reflect on their performance on the test.	123
6e	Collecting whole class feedback	any	Collect answers to an exercise from whole class using Pear Deck.	126
	Assessing receptive skills		The activities in this unit are designed to teach and assess reading and listening.	128
7a	Subtitles on / off	A2+	After watching a video students watch it again with subtitles to check their own comprehension.	128
7b	Paused transcription	A2+	Bottom-up listening is assessed by getting students to transcribe parts of utterances.	131
7c	Question the author	B1+	Reading comprehension is assessed while – rather than after – reading through queries.	134
7d	Text-to-self – Text-to-text – Text-to-world	B1+	Students complete a graphic organizer and go beyond surface meaning of a text.	137
7e	Film casting	B1+	After reading a character description students choose an actor for the role.	140
7f	Summarizing	B1+	Students shrink a text and summarize it for a specific audience.	143

	Assessing productive skills		The activities in this unit are designed to teach and assess speaking and writing.	145
8a	Conversation ladders	any	Assessment of speaking through informal conversation (for student placement)	145
8b	Running commentary for split viewing	B1+	Students provide a running commentary while watching a video.	149
8c	Newsreaders	B1	Pronunciation is assessed while students take on roles of newsreaders.	152
8d	Longitudinal assessment of speaking	any	Speaking is assessed through 'impressions' collected over time.	156
8e	Patchwork rubrics	B2	Students and teacher create assessment rubrics together.	159
8f	Comment-only marking	B2	Giving students feedback that feeds forward without awarding a grade.	163
