1. Listen and number.

Families are all different. Some are big and some are small. But we love them all.

Number 1: I can see a family having dinner. There is a mum, a dad and a little boy.

Number 2: This is a small family. It's a single-parent and a child. It's a dad and his son.

Number 3: This is a happy family of 4. The mother, the father, the brother and the sister are going swimming.

Number 4: I can see a family having a picnic. There is a mum, a dad and a little girl.

Number 5: There is a very small family. The girl is living with her grandma.

Number 6: This family is very big. I can see seven family members. A baby, a sister, a father, a mother, a grandpa, a brother and a grandma.

Number 7: This family is small. I can see a boy and his sister. There is a mum but no dad. They are having breakfast.

Number 8: This happy family of 4 is playing cards. There are the parents and their two children.

2. Listen and colour.

This is the George family. Grandma Cathy, grandpa Eddie, mum Caroline, dad Thomas and their children. There is baby Emma, her sister Anne and her brother Ben. They also have a dog named Butch. They all live together in one big house.

Listen to the sentences and colour the family members.

Caroline, the mother, has got brown hair. She is wearing a pink shirt. Her skirt is black and her shoes are pink.

Next to her, is Ben. He has got blond hair. He is wearing a red and white shirt with his favourite blue jeans and green shoes.

Grandpa Eddie is wearing a blue pullover with brown jeans.

Grandma Cathy is super cool. She has got grey hair and she is wearing red shoes with a red pullover and a brown skirt.

Baby Emma is wearing green jeans and a yellow shirt. Her socks are yellow, too.

Thomas, the dad, has got black hair. He is wearing an orange pullover with blue jeans and brown shoes.

Anne has got blonde hair. She is wearing her new purple dress with pink shoes.

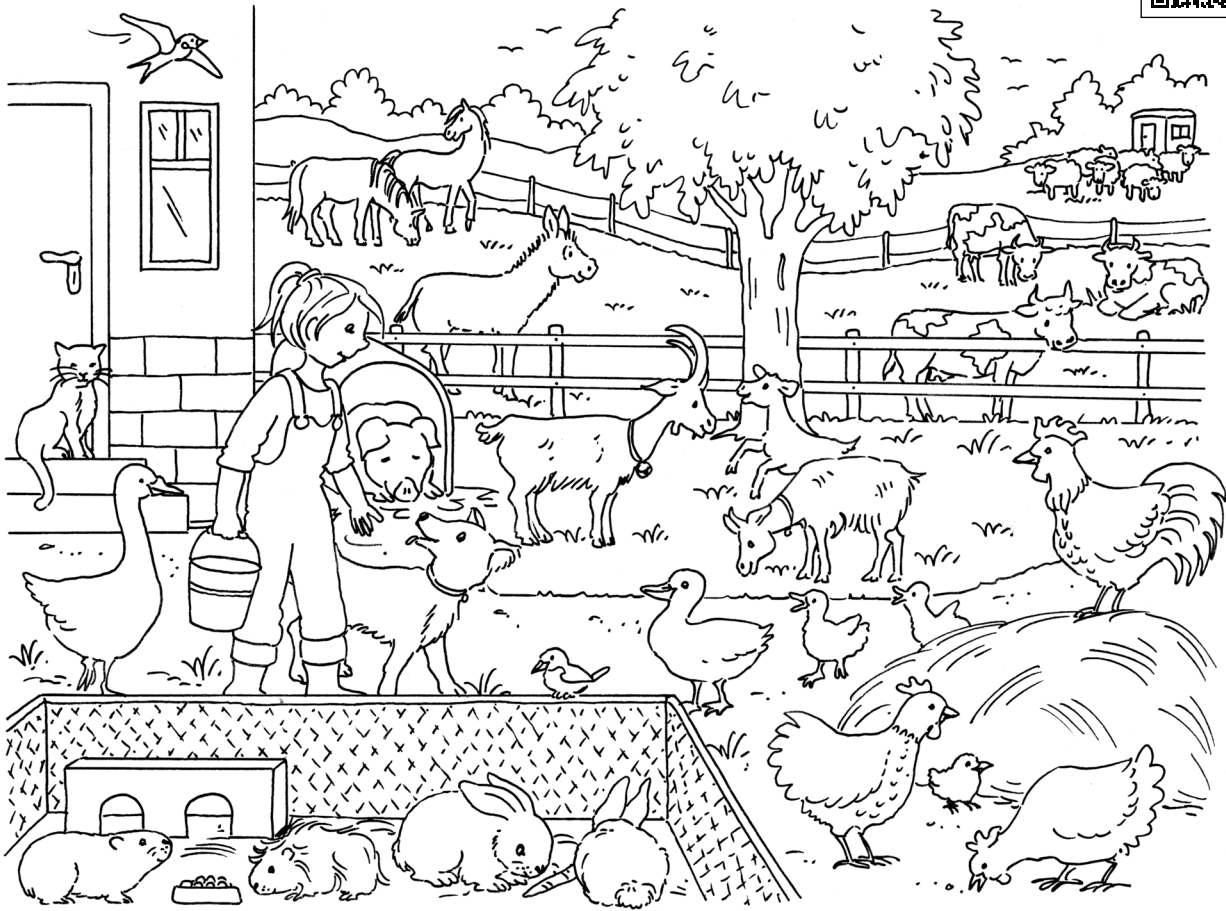

Butch, the dog, has got brown fur.

1. Listen, circle and colour.

Today is Saturday and it is a great sunny day at the Weaver's farm.

There is a lot of work to do.

The farmer girl feeds the ducks and chickens.

Can you circle the farmer girl? Colour her hair brown.

There are a lot of animals living on the Weaver's farm.

On the top right of the picture you can find a lot of sheep.

Circle the sheep and colour one sheep in black.

Oh, look! There are some cute and small pets there, too.

The two guinea pigs and the two rabbits are eating their food.

Circle the two guinea pigs and colour them brown.

Next to the rabbits is a little stack of yellow hay.

Circle the rooster on top and colour him brown, red, blue and green.

The donkey is standing on the grass next to the tree.

Find the donkey, circle it and colour it grey.

Can you see the pig sleeping?

Circle it and colour it pink.

The last thing I can see is the little cat sitting in front of the farmhouse.

Circle the cat and colour the door blue.

2. What is it? Listen and circle.
