Preface — V

1	Linear integral inequalities on time scales — 1
1.1	The inequalities of Gronwall and Bellman — 1
1.2	Volterra-type integral inequalities — 17
1.3	The inequalities of Gamidov and Rodrigues — 23
1.4	Simultaneous inequalities — 32
1.5	Pachpatte's inequalities — 37
2	Linear integro-dynamic inequalities — 59
2.1	Pachpatte's inequalities — 59
2.2	Modifications of Pachpatte's inequalities — 69
2.3	Inequalities with several iterated integrals — 73
3	Nonlinear integral inequalities — 93
3.1	Dragomir's inequalities — 93
3.2	Pachpatte's inequalities — 95
4	Diamond-α integral inequalities — 113
4.1	Diamond- α calculus on time scales — 113
4.2	Steffensen's inequalities — 122
4.3	The Jensen inequality — 130
4.4	The Radon inequality — 132
4.5	The Schlömilch Inequality — 134
5	Fractional integral inequalities — 135
5.1	Integral inequalities for the Chebyshev functional — 135
5.2	A Poincaré-type inequality — 138
5.3	A Sobolev-type inequality — 142
5.4	An Opial-type inequality — 143
5.5	Ostrowski-type inequalities — 144
6	Two-dimensional linear integral inequalities — 147
6.1	Wendroff's inequality — 147
6.2	Pachpatte's inequalities — 150
7	Snow's inequalities — 189
7.1	Existence of solutions of some partial dynamic equations — 189
7.2	Snow's inequalities — 194

8	Two-dimensional linear integro-dynamic inequalities — 219
8.1	Pachpatte's inequalities — 219
8.2	Modifications of Pachpatte's inequalities — 235
9	Two-dimensional nonlinear integral inequalities — 249
9.1	Wendroff's inequality — 249
9.2	Pachpatte's inequality — 251
10	Delay integral inequalities — 255
10.1	Linear Gronwall–Bellman-type delay integral inequalities — 255
10.2	Nonlinear Gronwall–Bellman-type delay integral inequalities with one delay — 256
10.3	Gronwall–Bellman-type nonlinear delay integral inequalities with several delays — 273
10.4	Delay integral inequalities in two independent variables — 277
10.5	Delay Volterra–Fredholm-type integral inequalities — 282
11	Applications — 289
11.1	Existence and uniqueness of the solution of first order dynamic equations — 289
11.2	Continuous dependence on initial conditions of the solutions of first order dynamic equations — 292
11.3	Second order integro-dynamic equations — 293
11.4	Volterra integral equations — 298
11.5	Applications to nonlinear delay dynamic equations — 299
Bibliography — 305	
Index — 307
