Abbreviations..... XI

Figures.....XV

Introduction..... 1

0. Introduction 2

A. Overview and problem definition..... 2

B. Focus of research 7

C. Current literature and structure of the thesis 10

Part 1: Technical Basis..... 15

1. Introduction: online tracking technology and problems associated with it..... 17

2. Overview of online tracking technologies..... 21

2.1 HTTP cookies 22

2.1.1 The different characteristics of HTTP cookies 22

2.1.2 Cookie syncing 25

2.1.3 Cookie walls 26

2.1.4 Zombie cookies (evercookie API) / “cookie respawning” 27

2.2 Overview of tracking forms..... 28

2.2.1 Definition of zero-, first-, second-, and third-party tracking 28

2.2.2 Growing importance of zero-party and first-party tracking..... 32

2.2.3 Cross-site tracking 35

2.3 Tracking via device-specific identifiers..... 36

2.3.1 The use of an AAID (Android Advertising Identifier) 37

2.3.2 Identifier for Advertisers (IDFA)..... 37

2.3.3 Further identifiers 39

2.4 Additional online tracking technologies..... 39

2.4.1 Fingerprinting 43

2.4.2 Using the cache for tracking..... 50

2.4.2.1 DNS cache-based tracking..... 51

2.4.2.2 Web cache-based tracking: The use of ETags (Entity Tags) and Last-Modified..... 52

Table of contents

2.4.2.3	Using a tracking identifier in a browser’s favicon cache.....	53
2.4.2.4	Additional cache-cased tracking mechanisms.....	54
2.4.3	Web beacons/web bugs/pixel tag/clear GIF	54
2.4.4	Tracking based on login information.....	56
2.4.4.1	Email tracking.....	56
2.4.5	URL, search query tracking and “history sniffing”	59
2.4.6	Additional tracking technique methods.....	60
2.5	Technical basis: conclusion	61
Part 2: The Law.....		63
1.	Legal issues of tracking personal data.....	65
1.1	Personal data as defined by the GDPR	66
1.2	Personal information in the CCPA.....	67
1.3	Personal information in the CPRA	69
2.	The actors – to whom does the tracking law apply?.....	72
3.	Company self-regulation	76
3.1	The use of Apple’s App Tracking Transparency (ATT).....	76
3.2	Google’s Privacy Sandbox.....	79
3.3	Technical standardization	82
3.4	The use of privacy labels.....	82
3.4.1	Privacy labels: an effective start towards credible transparency?	83
3.4.2	Apple’s Privacy Nutrition Labels	86
3.5	Privacy-by-Design.....	92
4.	The issue of consumer self-protection.....	94
4.1	Privacy-enhancing personal settings	95
4.2	The Fair Information Practice Principles (FIPPs)	97
5.	Overview of current EU online tracking laws.....	99
5.1	GDPR law on online tracking.....	99
5.1.1	General rules.....	99
5.1.2	Special rules for SMEs	111
5.1.3	GDPR Recitals.....	114
5.2	Today’s GDPR – weak regulation and enforcement	116
5.2.1	The issue of consent and the GDPR	119
5.2.2	Misleading ‘cookie banners’ and collection of data before consent is given.....	123
5.2.3	Planned adaption of cookie pop-ups.....	127

5.2.4	Privacy policies.....	130
5.3	Harm from data tracking.....	131
5.4	The ePrivacy Directive ('Cookie Directive') regulating online tracking.....	135
5.4.1	General rules.....	135
5.4.2	Regulation of new online tracking technology.....	147
5.5	ePrivacy regulation law on online tracking	149
5.6	Violation of human rights	154
5.7	Further relevant EU law	157
5.7.1	The Digital Services Act (DSA) and the Digital Markets Act (DMA).....	157
5.7.2	Data Governance Act, the Data Act, the Open Data Directive, and the Law Enforcement Directive (LED)	160
5.7.3	The draft Artificial Intelligence (AI) Act.....	161
5.8	Relevant EU case law	165
6.	Overview of online tracking law in California.....	166
6.1	Relevant CPRA law.....	166
6.2	Relevant CCPA law	169
6.3	Constitutional law.....	170
6.4	Relevant U.S. Federal law	172
6.4.1	U.S. Data Privacy Act (1974)	172
6.4.2	The Electronic Communications Privacy Act (ECPA).....	173
6.4.3	Fair Credit Reporting Act (FCRA)	175
6.4.4	Gramm-Leach-Bliley Act (GLBA).....	176
6.4.5	Children's Online Privacy Protection Act (COPPA)	176
6.4.6	The Health Insurance Portability and Accountability Act (HIPAA) and the Family Educational Rights and Privacy Act (FERPA)	177
6.4.7	The American Data Privacy and Protection Act (ADPPA)	178
6.5	Further relevant Californian law.....	183
6.5.1	The Californian Constitution.....	183
6.5.2	The California Online Privacy Protection Act (CalOPPA).....	183
6.5.3	The Privacy Rights for California Minors in the Digital World Act	185
6.5.4	California Shine the Light	185
6.5.5	The California Invasion of Privacy Act (CIPA)	187
6.5.6	The California Electronic Communications Privacy Act (CalECPA).....	188
6.5.7	The California Financial Information Privacy Act (CFIPA)	190

Table of contents

6.5.8 Further sector specific U.S. law..... 191

6.5.9 The protection of privacy by state civil law 191

7. Relevant U.S. common law and online tracking..... 192

8. The Law: conclusion 195

Conclusion 199

9. Conclusion..... 200

A. Improvements to online tracking..... 200

A.1 Explicitly informing users of the risks 200

A.2 An incentive system to avoid tracking technologies..... 200

B. Alternatives to tracking to finance the web 201

Bibliography 207
